1. Enclosed is a copy of BQFIEND's Operational Plan for 1953 which includes our recommendations on the line of action which should be followed prior to attempting any large scale uprising in Albania. We are also enclosing a summary of our 1952 operations (SGAA-1933, 17 Dec. 1952) together with a copy of our 1952 operations as sent to Headquarters to deliver to the VALUABLE representative in Washington. You will note that Apple Team and Throttler Team are not included in VALUABLE's report, as they are carried as intelligence operations and are not for distribution to VALUABLE.
2. On [] instructions, VALUABLE's copy of our 1952 operational summary was sent to Headquarters (SGAA-1938, 22 Dec. 1952) and [] representative in Washington will obtain it there along with such parts of our 1953 operational plan (SGAA-2010, 30 Dec. 1952 and SGAA-2006, 23 Dec. 1952) as Headquarters wishes to release to them.
3. Please inform [] that his Washington representative can request the desired information and reports from our Headquarters there. He should already be aware of this as we advised RNPOSTAL before Christmas that this material would be made available to them through Washington and not through our []
4. We are waiting to hear from Washington as to whether they wish us to hold a joint BQFIEND/VALUABLE meeting in the near future. In any event, we feel it advisable to hold a BQFIEND general meeting in Rome once Headquarters policy decision is received for the 1953 operational year.
